

Google classroom

Join a class as a student

To use Classroom, you sign in on your computer or mobile device and join classes. You can join a class with:

A class link—<https://classroom.google.com/c/NjE2NzlwNDk4NjMz?cjc=23qujvq>

A class code—**23qujvq**

After you join a class on one device, you're enrolled in that class for all devices.

To join a class, be sure to sign in to Classroom with the correct account.

ASSISTments

- Create an ASSISTments account. Go to <https://www.assistments.org/signup>
- Your enrollment code is **eu6tum**. It is also posted to the discussion forum
- Please ignore the fact that the system says the course is at another university
Afterwards, you can log in at <https://www.assistments.org/account/login>
- to do the basic assignments. Please use this link rather than going to the ASSISTments main page.

Please post to the discussion forum if you are having technical problems
